

Our Mission:

Passionate for the Gospel of Jesus Christ and witnessing to the legacy of Catherine McAuley, Mercy Focus on Haiti members are led to service and solidarity with people who are materially poor, especially those living in Haiti. We partner with the Haitian people to meet their unmet needs, and we collaborate with like-minded organizations.

"I'm honored to be a volunteer and a donor to MFOH. I love our empowering approach to the needs in Haiti"

Our Programs:

Care for the Earth - Food

Production: Your gifts will help raise animals and edible plants for local farmers and their families. This promotes food security and economic stability.

Rainwater Harvesting: With your help we will build cisterns next to homes, schools, parishes, and farms, ensuring community members access to clean and safe water.

500-gallon community cistern.

Care for School Children at *Lekòl Jezi-Mari*: Because of your giving, children will have daily, hot lunches and school tuition assistance.

Schoolchildren enjoy their daily hot lunch.

Care for the Elderly at *Maison Bon Samaritain* (MBS): A gift from you helps 22 frail, mentally afflicted, and otherwise homeless residents, live in a safe, dignified, and loving environment.

"My heart goes out to the people of Haiti who live in fear of violence from gangs, food shortages, and many other hardships. I am so proud to be able to support these programs. Knowing that I can be a part of bringing Mercy to people gives me joy!"

Care for Women in our *Chemen Lavi Miyò* (CLM) Program: Your donation makes it possible for ultra-poor women to be self-sufficient and confidently run their own business, feed and house their families, and move forward in life.

CLM Mothers graduate.

"I'm very proud of being both a donor and a volunteer of this group. We don't take over for the Haitians we serve. Instead, we help local groups identify what they need and then fund projects using Haitian labor and experts to implement their programs."
